## **About this Catalog:**

The tubes listed in this catalog are tested like New-Old-Stock (NOS) Tubes. Most tubes are the major manufactured brands such as GE, RCA, Sylvania, etc. If there is an interest in a particular manufacture of a tube, please specify that in the inquiry or order. The tubes are tested again at time of shipment. Currently, due to the size of the tested tube inventory, we only ship US domestic. As the inventory expands, we will be open to shipping internationally.

\*We have a **large inventory** of untested tubes. This catalog represents tubes that are tested and ready to ship. If this catalog does not list the tubes desired, please send an email inquiry list or call us with your list. We will check to see if the tubes are available for testing and made ready for shipment.

## **NOTE:**

Vacuum tubes outlast their fiberboard storage box. Therefore, we do try to keep the tube in its original box. However, if the box is very worn. It will be re-boxed into a new white or plain box.

## **Prices:**

Prices are subject to change. Please call, write or email for current pricing, before placing an order.

## **Payment:**

Two methods of payment are accepted:

1.) Checks or money orders are accepted, however the shipment will be placed on hold until the payment clears through the banking system.

2.) Credit Cards are accepted (Mastercard, Visa, American Express, etc.) through the Paypal invoicing. Paypal payments can also be paid using an authorized Paypal.com account.

## **Tax:**

Pennsylvania residents, 6 % sales tax will be added to the order, or provide a resale tax id number.

## **Warranty:**

Tubes have a 30 day warranty, except for breakage, open filaments, or when not operated within manufacturer's specified ratings.

## **Shipping and Handling:**

Domestic Shipping charges will be based on the actual shipping weight of the package and the charges that will be applied by the shipping service provider. The selection of the shipping service provider will be the buyer's choice.

## **We Buy Tubes**

We are always looking to add to our inventory. We welcome your lists and the best way to send us your list is via email. Please be specific to the tube number and if the tube is in the original manufacturer's box. We will send you a reply with our offer.
